Welcome Back!

Hope everyone had a wonderful summer and is ready to have some fun! I wanted to thank everyone for their generosity throughout the last year. We raised \$57,000 through donations, fundraisers, membership, corporate membership and fun! The board voted to distribute as follows after committee recommendations as follows:

- \$7,000 was given in scholarships to **Lake County** high school seniors
- **Special Needs Athletic Program** provides students with disabilities social interaction through athletic activities.
- **Catholic Charities/ Samaritan Hope Program**, which helps single parents families to find housing and overcome obstacles to self-sufficiency
- **Center for Enriched Living** provides social and life skill enrichment programs for youth with development disabilities
- **Joanie's Closet**, provides needy families in the 8 schools within District 95 with school supply kits, winter gear and general program support
- **The Chapel Food Pantry**, helps alleviate food scarcity and hunger in the Lake Zurich and surrounding communities
- **CASA Lake County**, (Court Appointed Special Advocates) Lake County advocates for the best interests of abused and/ or neglected children in the juvenile court system. Based on the belief that every child is entitled to a safe and permanent home, more than 300 thoroughly trained CASA volunteers work in collaboration with key agencies, legal counsel and community partners to advocate on behalf of children throughout their traumatic journey in the protective care system.
- **Operation Warm** provides new winter coats to children in need
- **Emmas House**, fights suburban poverty by assisting people in surrounding communities with services. We are dedicated to providing meals, food, clothing, resources and funding to homeless and low income families.
- **Omni Youth Program**, providing life-changing counseling and prevention services to at-risk youth and families.
- **Lake County Haven** provides transitional and housing services to homeless women and their children as well as: life-skills training, health management, financial education and counseling
- **A Safe Place**, offers comprehensive domestic violence services that provide safety net to assist victims and children.
- **Mount St. Joseph**, residential facility for 129 women with physical and developmental disabilities. The money will be used for electric beds for the most medically fragile residents.

In this new 2016/2017 year - the Theme is "**Nourishing Our Community.**" CWC does this by building relationships between members, members and the corporate community, scholarships for college-bound seniors and the organizations in need. Our goal this year is to raise \$75,000!! Our first fundraiser, the Love Fund Auction's theme is "**Now We're Cooking**" with great plans in the works. Please contact me if you would like to be on the committee.

Thank you for supporting CWC and the community. One of my favorite quotes from Muhammed Ali, "*Service to others is the rent you pay for your room here on earth.*" Please consider joining our mission to strengthening our community through your time, talent and treasures. We have an all-volunteer board of directors and no paid staff. Your financial donations really make an impact in our communities.

We have a monthly newsletter, Facebook page and new website for more information - feel free to contact me anytime.

3 Tips for a Styling your Cocktail Table

Decorating a cocktail table can sometimes be a challenge. Often times it is cluttered with remote controls, reading materials and coasters. So what can you do to style a great cocktail table? Try these 3 simple tips.

1. **Rule of 3** – Odd numbers are always good in design and the rule of 3 is a great styling guide. This tip is held loosely though so allow me to explain. A pair of candle sticks that are the same can be considered as one. Stacking a few stylish books the same size can also be considered as one. Topping it off with a fresh floral arrangement or an interesting plant can complete the look.
2. **Think Asymmetrical** – On longer cocktail tables try adding your trio of décor on one end. This asymmetrical layout will work great creating a designer look with the negative space. You can also apply this tip to square and round cocktail tables. If you use it on a square table try adding a trio of décor to one corner and then add something smaller or lower in height to another corner.
3. **Varying Heights** – Multiple heights creates an interesting visual appeal. Try stacking elements as well. For example, in the image below try draping an ottoman table with a cozy chunky throw followed by a great tray or stack of large coffee table books (2-3). Top it off with a casual floral arrangement.

So what can you use when creating your vignette? There are many options but let's start with some items you may already have: Cocktail table books the same size or color family, stylish magazines, vases, decorative bowls, trays, candle holders, paper weight, live floral arrangements or plants. If you have to keep the remote controls on the table, consider using a decorative box or basket to hold them. Be creative and have fun. If you don't like it it's easily changed and updates your space.
