SAPPHIRE SPONSOR:

WELCOME!

Throughout Lake County, Illinois, women and children are suffering from domestic violence, homelessness and economic hardships. We spend the year raising funds through events like this and other activities through our year end in June.

- Our fundraising goes toward our "Love Fund" which provides specific grants each May to 501(c)(3) organizations in Lake County that serve women and children in need
- Tonight's donations also provide funds for Thanksgiving Dinners for shelter residents
- Our Holiday Helpers coming up provides personalized gifts for area shelter residents.
- Our Backpack Mania drive in early summer provides new school backpacks and supplies to fill school lists for shelter students.

Please visit CaringWomensConnection.com for more information about grants and upcoming events.

Thank you!
